C. HISTORY OF THE UNIVERSITY

The University of Rizal System is a merger of two (2) state colleges and a University extension campus—the Rizal Polytechnic College, Rizal State College and the Rizal Technological University Antipolo Annex. The passage of Republic Act 9157 on June 7, 2001 established the University of Rizal System with URS Tanay as the main campus and its satellite campuses in Morong, Pililla, Rodriguez, Angono, Binangonan, Cainta, Antipolo, Cardona and Taytay.

Rizal State College was originally named Rizal National Agricultural School created through Republic Act 1560 on June 16, 1956, and later evolved into Rizal College of Agriculture and Technology, a chartered state college in the Province of Rizal on June 24, 1983 through Batas Pambansa Blg. 622. It was later renamed Rizal State College by virtue of Republic Act 7858 on January 21, 1995. Through the years, the College expanded and established extension campuses in Pililla, Rodriguez, Angono, Binangonan and Antipolo City.

Rizal Polytechnic College was first established as the Morong High School on August 16, 1944. It was converted into Morong National High School on August 20, 1976, and to Morong National Comprehensive High School on March 30, 1977. With the integration of Tomas Claudio Memorial Elementary School, it was converted into Morong National Comprehensive School and later renamed Rizal Technological and Polytechnic Institute (RTPI) on August 10, 1983 through Batas Pambansa 469. RTPI became a state college, the Rizal Polytechnic College, on March 1, 1995 through Republic Act 7933 with extension campuses in Cainta and Cardona.

Rizal Technological University Antipolo Annex became part of the fusion of the two state colleges.

The birth of the URS Mighty Giants

(as the official vector of the University of Rizal System) by
Dr. Medardo B. Bombita

Date of Official Commencement of Use: September 16, 2013

In Philippine myths, a legendary figure named Bernardo Carpio is a giant. He had a strength that was similar to that of Hercules of the Greek mythology. Giants or commonly called as Titans were a primeval race of powerful duties and the descendants of Earth and Sky that ruled during the legendary golden age. They were immortal beings of incredible strength and stamina and were also the first pantheon God and Goddesses, Giant's possessed overwhelming physique and power beyond human capacity. The basic form of the legend is that Bernardo Carpio, a being of great strength, is trapped in between two great rocks in the Mountains of Montalban. Accordingly, he is keeping the mountains from crashing into each other (similar to the Greek titan Atlas holding up the sky). When Carpio shrugs his shoulder, an earthquake occurs.

As an "icon" in the URS vector, Bernardo Carpio depicts that the enslaving poverty and oppressing ignorance will be replaced with freedom and happiness through perseverance and education. The Giant in its colossal glory is at the center while lifting the word "Giants" with the name/acronym of the University written at the top. The brusque and masculine demeanor of the Giant represents the excellence and greatness of the institution and holds the URS core values. Giants are undefeatable and will always RISE to persevere odds and challenges. The state-of-trance-expression of the giant bordering from rage and duress conveys the feeling of "I'll give all my bests to strive for Greatness and Excellence."

"Go, Go, Go, Mighty Giants!" *Note:*
